

## **Changeover Technician – Manufacturing – 1<sup>st</sup> and 2<sup>nd</sup> Shift**

### **Job Description**

Could you use your knowledge and expertise to make a positive impact with our company?

Do you want to be part of a team who enjoys working together to problem solve?

Would you like to work where you have set hours and no swing shift?

**Gilchrist Bag Manufacturing** has been supplying short and medium-run packaging products to the packaging industry for over 60 years. Our goal is to become a national leader in our market space by providing quick turnaround, quality service and customized products. We are seeking individuals who share our company values and strives for continuous improvement for themselves, their fellow employees and our company.

### **The primary responsibilities for the Changeover Technician position include:**

- Responsible for prompt setup of paper converting equipment.
- Operating machines.
- Equipment cleaning and care.
- Identifies, monitors and performs minor troubleshooting for problems and breakdowns of equipment.
- Maintains production equipment as needed in accordance with established standards, policies and procedures.
- Keeps records of work performed and completes history logs.
- Assures operation of safe and functionally sound equipment.
- Occasional light building maintenance.

### **Ideal candidate will possess the following skills/qualifications:**

- Understanding of equipment operation and maintenance procedures.
- Experience in maintenance or related field required in a manufacturing setting.
- Effective in dealing with multiple priorities and simultaneous projects.
- Demonstrate a creative approach and problem-solving abilities.
- High value placed on teamwork.
- Ability to read and understand technical reference manuals.
- Ability to work well independently.
- Able to cooperate and communicate well with others.
- Well organized and attentive to detail.
- Basic computer skills.
- Knowledge of production functions.
- Knowledge of converting and/or flexographic printing a plus.

If you fit this description and would like to join a growing company, Gilchrist Bag Manufacturing offers a comprehensive wage and benefits package including Health, Dental, Short Term Disability, Life Insurance, 401k Retirement Savings with Employer Match and tuition reimbursement. We support the growth and success of our employees.

Job Type: Full-time
