Made
in the USA

Designed with today's healthcare professionals in mind, our paper prescription bags provide a sustainable alternative to plastic while ensuring reliable protection for medications and wellness products. Ideal for pharmacies, veterinary offices, and dispensaries alike, these eco-conscious bags are made to meet the diverse demands of medical packaging. Choose from practical pinch-bottom or square-bottom (SOS) configurations, each available in multiple sizes to suit anything from individual prescriptions to bulkier healthcare items - all while supporting your commitment to environmentally responsible practices.
