Recyclable

Elevate your packaging with our heavy-duty SOS bags, an ideal choice for businesses that value both strength and sustainability. Proudly manufactured in the USA using robust kraft paper, these flat-bottom paper bags are built to handle demanding loads while offering effortless functionality. From takeout counters and bakeries to hardware shops and pharmacies, they deliver reliable performance across a variety of industries. Choose from multiple sizes, available plain or with custom printing to showcase your brand. Made from 100% recycled materials and fully recyclable, biodegradable, and compostable, these eco-friendly bags are a smart, planet-conscious packaging solution.
